

I'M BACK!!

I've missed your family and am happy to be back!

Just like last year the rules are the same.

Spread Christmas cheer and look for me each day,
just please don't touch so I can keep my magic.

I want to tell Santa all the good things you've
done, and he will be happy to hear about us
having so much fun! Now go get some rest so you
can be at your best!
